Title of the Paper:
1.5 Inch Margin to Right and Left with a One Inch Margin at the
Top and Times New Roman, Bold, 14 Point

Abstract

The abstract can be included between the title and the body of the paper. It must not be included on a separate page. It must be in Times New Roman, 12 point.

No author information may appear between the title and the abstract, or between the title and the body of the paper, or anywhere else in the paper. All author information must be saved in Monolith where it will automatically be added to the cover sheet which will be automatically generated once the paper is finalized. You are able to edit the order of the list of authors in Monolith so that each person is credited correctly.

Do not include any affiliation information in your draft paper so that your draft paper is able to receive a blind review.

Body of the Paper

The paper must be in a one-column format, and the text must be left-justified. There must be a one inch margin all around (top, bottom, left and right). The only exception is the title of the paper on the first page.

The text must be in Times New Roman, 12 point. Between each paragraph, skip one line, as demonstrated here.

Headings

Headings are not required but may be included. There must be one blank line between the preceding paragraph and the heading. There must be one blank line between the heading and the following paragraph.

The heading must also be in Times New Roman, 12 point, left-justified, and cannot be all capitalized.

The headings can be bold, underlined or italicized.

Footnotes, Page Numbers, and Copyright Notice

Do not include any footnotes, pages numbers, or the copyright notice. Any footnotes must be turned into end notes. The copyright notice will be automatically inserted into the final paper.
Graphs, Tables, Figures, Appendices

Graphs, tables, figures and appendices must fit within the margins (one inch all around) and match the font format (when possible).

Session Numbers

Do not include session numbers as they do not serve any purpose when a part of the PDF.

References

When you include a reference in the text, a superscript numeral\(^1\) must be inserted for the reference as listed in your bibliography.

Placeholders

If you used placeholders to replace the names of affiliations and institutions in your draft paper such as “University of _____” you must replace the placeholders for the final paper, so that it can be published in the conference proceedings.

Draft Paper Length

There is no page limit for papers. Authors may use their discretion on the length of their submission. However, please be mindful that papers will have limited presentation times during sessions.

Bibliography

1. The bibliography must begin four spaces below the body of the paper.
2. The margins of the bibliography must be the same as the rest of the paper.
3. The bibliography must be in Time New Roman, 10 point.
4. Every reference must be listed and numbered.
5. When referred to in the text, a superscript numeral must be used.
