2013 ASEE Annual Conference Call for Papers

The ENGINEERING LEADERSHIP (LEAD) CONSTITUENT COMMITTEE seeks abstracts of papers for the 2013 ASEE Annual Conference and Exposition scheduled for June 23-26, 2013 to be held in Atlanta, Georgia. Abstracts on any topic related to engineering leadership and engineering leadership education are currently invited. Topics may include, but are not limited to leadership education pedagogy, leadership case studies, and leadership impact studies.

Submitted abstracts should be approximately 500 words in length and will be peer-reviewed. The abstract should provide a clear statement of the work's objective, its relevance to engineering leadership, assessment methods, results, and next steps. Authors of accepted abstracts will be invited to prepare a full paper for peer review and publication in the conference proceedings. Papers must demonstrate an appropriate level of scholarship. Abstracts, draft papers, and final papers, if accepted, will be submitted via the ASEE online.
