The **ENVIRONMENTAL ENGINEERING DIVISION** of ASEE invites papers for the Annual Meeting to be held in **Atlanta, Georgia June 23-26, 2013**. The division will offer sessions that include papers on the following topics:

- Innovative pedagogical methods (social media, flipped classrooms, etc.) in teaching environmental engineering courses;

- Integrating sustainability in courses, across disciplines, in communities;

- Innovative uses of current and emerging technologies in teaching environmental engineering courses;

- Extracurricular student projects/contests in environmental engineering e.g. P3, EWB, WERC, Solar Scholars, etc.;

- Development of new or hybrid courses in environmental engineering, e.g. Environmental Biology, Environmental Security, Environmental and Public Health;

- Interdisciplinary approaches to addressing major (e.g. Grand) challenges such as climate change, food, water;

- Engaging students in environmental lifelong learning;

- Educational resources such as online case studies, web-based course modules for teaching environmental engineering topics;

- Recruitment and retention of diverse students in environmental engineering;

- Undergraduate environmental engineering research experiences; and,

- Accreditation and assessment, e.g. BOK, graduate program accreditation, assessment, etc.

- Other suitable topics will be considered.

The Environmental Engineering Division requires that presenters publish their papers in the ASEE conference proceedings. Please indicate if you are interested in a poster presentation. Poster presentations also require a full paper submission.
The Early Career Award, Best Paper, and Student Awards are selected based on the papers accepted for the conference. Please send an email to the Program Chair, Junko Munakata Marr (junko@mines.edu), if you are interested in the Early Career Award. Early career applicants must be tenure-track, not tenured by June 30, 2013, and the first author. The student awardee can be an undergraduate or graduate student, should be the first author, and is expected to present the paper at the conference.

Please submit a 200-300 word abstract electronically through the ASEE Conferences website, http://www.asee.org/conferences-and-events/conferences/annual-conference/2013/program-schedule/call-for-papers; updates and information regarding deadlines will be posted there.

Abstracts submitted not later than the closing dates announced by ASEE will be evaluated and ranked. Papers selected for presentation must be submitted in accordance with ASEE requirements.

Be sure to indicate that your paper is for the Environmental Engineering Division and provide requested contact information.
