Hello ASEE Parents!

Thank you very much for your interest in the American Society for Engineering Education children's program. Our goal is to provide your children with a program they want to attend, while providing you with that critical "peace of mind" feeling so you can attend your event activities.

KiddieCorp is pleased to provide a children's program during the 127th Annual Conference & Exposition. KiddieCorp is in its thirty-fourth year of providing high quality children's programs and youth services to conventions, trade shows and special events. We take caring for your children very seriously. KiddieCorp has enjoyed a long-time partnership with the American Academy of Pediatrics, which has helped to establish KiddieCorp as a premier provider of event children's program services.

ACTIVITIES

Activities include exciting themes, arts & crafts, group games, music & movement, board games, story time, dramatic play, etc. We provide activities appropriate for each age group, using safe, sturdy equipment that you can feel comfortable with. Children can make their own choices within KiddieCorp's program.

COMMITMENT

Our goal is to provide your children with a comfortable, safe and happy experience. Our staff to child ratios are high to ensure that every child feels special (1:2 for children ages 6 months through 11 months old; 1:3 for children ages 1 through 2 years old; 1:5 for children ages 3 through 5 years old; 1:7 for children ages 6 through 12 years old; 1:10 for children ages 13 through 15 years old). KiddieCorp team members are selected according to their integrity, experience, education and enthusiasm. They must be wonderful with kids! In addition to our competitive and selective hiring process, KiddieCorp remains at the top of the industry by carrying ample liability insurance.

WHERE, WHEN, FOR WHOM

The program is for children ages 6 months old through 15 years old. The dates for the program are June 21-24, 2020 and will be located at the Palais des Congres de Montreal in Montreal, Quebec, Canada. Activities, snacks and water will be provided and meals need to be supplied by parents when checking in your child each day.

Childcare hours are offered in 2-hour blocks; please only book what the block(s) you will utilize. Childcare is limited and offered on a first come, first serve basis; a wait list will be started once we have reached capacity. This program is complimentary for attendees of the ASEE Annual Conference only.

REGISTRATION

See the registration form below for event information. The registration deadline is May 25, 2020 (or until capacity is reached). Register early as availability is limited and handled on a first-come, first-served basis. KiddieCorp must receive the registration form to hold any advance reservations.
