

CEED 572/CPDD 574 Gulfstream Tour

Attendees will be able to see how the Gulfstream aircraft comes together from sheet metal skins to a beautiful completed Gulfstream aircraft. The group will be viewing the G450 and G550 manufacturing facility, with an additional tour through Final Phase Operation, and Gulfstream Heritage Hall. Gulfstream designs, develops, manufactures, markets, services and supports the world's finest business jets. They set The World Standard™ for reliability, quality, comfort and performance. Gulfstream serves more than 30 World governments, countless military and scientific missions around the World, nearly half of all FORTUNE 500® companies and a host of prominent individuals.
