Where do I get Started – Worksheet II
Define your Project

STEM Initiative Project Title: ________________________________

What is the purpose of the project?

What are the broad project goals and specific objectives to accomplish those goals?

Goal #1

Objective #1

Objective #2

Objective #3

Goal #2

Objective #1

Objective #2

Objective #3
Who benefits from your program? Who will participate?

How will you measure success of the program? Are there particular outcomes?

What are the costs for your program?

Will you need partners for the program? If so, who are the partners?

Draft a timeline that includes the planning phase, the period of searching for funds, proposal writing and intended project start date.
