

## HOW TO PLACE AN AD

### PLACING AN AD

*Prism* welcomes classified ads for open position in academe, industry, or government; positions wanted; and short courses, seminars, meetings, and conferences. Using the same process and for the same price, you also may publish a congratulatory ad to honor institutional or individual achievements, or publish an In Memoriam obituary for a colleague. You may submit your ad electronically or send it via e-mail to get a price quote. If you decide to submit your ad electronically, you will first have to create an account with ASEE, and it's free. Price quotes and confirming e-mails include the monthly cost of your ad, though you may want to run your ad consecutively when choosing preferred publication month(s). If you have a question regarding this policy, please feel free to contact the advertising manager.

### RATES

Standard ads appear in single-column format and are charged at \$3.25 per word (member price) and \$3.50 (non-member price).

Display ads are set in larger type, have enclosed borders, and may also include logos. Black-and-white logos are free, and we ask that you send your logo in a separate file from your ad text. Your logo must appear in either JPEG or TIF high-resolution format at 300 dpi.

Please contact Paula Whitley, Classified Advertising Manager, at (202) 331-3528 for display dimensions and ad prices, or visit the classified advertising website at:

### METHODS OF PAYMENT

We accept purchase orders, checks, and credit cards (Visa or MasterCard) as methods of payment. If you submit your ad by e-mail, please include your contact information, which includes a contact person, billing address, phone number, and fax number. Ads, including those running in consecutive issues, are billed monthly unless your credit card payment or purchase order is generated to cover the total cost of your ad appearing in your chosen issues.

### CLASSIFIED ADVERTISING DEADLINE

February 22, 2019

Deadline dates are subject to change and are posted on the web. Please see <http://www.asee.org/sales-and-marketing/advertising/classified-advertising/deadlines> for updates.

## FACULTY

### ELECTRICAL AND COMPUTER ENGINEERING

The Electrical and Computer Engineering Department of Baylor University seeks faculty applicants for a clinical assistant/associate professor. Any area of expertise in ECE will be considered. Applicants must possess an earned master's or doctorate degree and extensive industry experience, as well as demonstrate potential for excellent teaching; applicants for clinical associate professor must additionally present evidence of deeper industry experience and achievement in teaching commensurate with the desired rank. The ECE department offers B.S., M.S., M.E., and Ph.D. degrees, and is rapidly expanding its faculty size. Facilities include the Baylor Research and Innovation Collaborative (BRIC), a newly-established research park minutes from the main campus.

Chartered in 1845 by the Republic of Texas, Baylor University is the oldest university in Texas. Baylor has an enrollment of over 15,000 students and is a member of the Big XII Conference. Baylor's mission is to educate men and women for worldwide leadership and service by integrating academic excellence and Christian commitment within a caring community. The department seeks to hire faculty with an active Christian faith; applicants are encouraged to read about Baylor's vision for the integration of faith and learning at [www.baylor.edu/profuturis/](http://www.baylor.edu/profuturis/).

Applications will be considered on a rolling basis starting January 1, 2019. Applications must include:

1. A letter of interest that identifies the applicant's anticipated rank
2. A complete CV
3. A concise statement of teaching interests
4. The names and contact information for at least three professional references

Additional information is available at [www.ecs.baylor.edu](http://www.ecs.baylor.edu). Should you have any questions on the position, feel free to contact the search chair, Dr. Keith Schubert at [keith\\_schubert@baylor.edu](mailto:keith_schubert@baylor.edu). Upload materials via Baylor's iApply system accessible at <https://jobs.baylor.edu/>.

Baylor University is affiliated with the Baptist General Convention of Texas. As an Affirmative Action/Equal Employment Opportunity employer, Baylor encourages candidates of the Christian faith who are minorities, women, veterans, and persons with disabilities to apply.

### THE CITADEL

#### ENGINEERING

##### Multiple Positions

The Citadel, The Military College of South Carolina, is accepting applicants for both a tenure-track faculty position and a non-tenure track faculty position in the School of Engineering. The successful candidate will have demonstrated a potential and interest in undergraduate and graduate education, undergraduate research, and a strong potential for and commitment to student advising, supporting our nationally recognized student activities, and continuous professional development in civil, environmental, or construction engineering, and engineering education.

Minimum qualifications for the tenure-track faculty position include an earned Ph.D. in civil engineering, environmental engineering, construction engineering, or related fields.

Minimum qualifications for the non-tenure track instructor position include an earned M.S. in civil engineering or related field plus five years of experience, or an earned Ph.D. in civil engineering, environmental engineering, construction engineering, or related fields. The successful candidate will have demonstrated a potential and interest in undergraduate education and have design/field experience.

Professional registration/certification or potential for and strong commitment toward obtaining it should be demonstrated for both positions. The applicant must be an effective communicator and be able to serve as a role model for students in the Corps of Cadets and to other students in our day and evening programs.

To apply: Please complete an online application at [www.citadel.edu/careers](http://www.citadel.edu/careers).

#### TENURE/TENURE-TRACK

#### CIVIL ENGINEERING

Geneva College in Beaver Falls, Pa., is seeking candidates for a tenure-track position in civil engineering. The candidate should be able to teach undergraduate civil engineering and other engineering courses in the interdisciplinary environment of a general engineering program. The candidate must have a higher degree in engineering or a related field, preferably a Ph.D., and must have at least one degree in civil engineering or a closely related field. Geneva is an evangelical Christian college in the Reformed theological tradition. Preference will be given to candidates who have substantial qualifications and experience in structural engineering. Faculty must be able to articulate a personal faith commitment to Jesus Christ and be supportive of a Reformed worldview. Women and members of ethnic minorities are encouraged to apply. The position will begin on August 15, 2019. A more complete description of the position, qualifications, required application materials, and application procedure are available online at [www.geneva.edu/page/employment](http://www.geneva.edu/page/employment).
