Not too soon to plan for Vancouver!!

Mark on your calendar the following times -
Monday, June 27
Campus Rep Reception
6:30-8:00 p.m.
Tuesday, June 28
Campus Rep Meeting
2:15 p.m.- 4:00 p.m.

Details to follow.

Fellow ASEE members are now receiving the approval of their abstracts and are getting into the paper production mode for Vancouver. This is a great time to have them talk up their paper production to others in your institutions and convince them to make plans for Vancouver 2011. Use this time to encourage any non members to join ASEE. And if you have promising students who can benefit from joining us in Vancouver, tell anyone going to the conference to participate in the Bring-A-Student program where the student does not have to pay the registration fee as long as they are listed on your registration form.

This is a perfect time to get ASEE out in the limelight of every college and university across the nation.

What and Who are Campus Representatives?

An ASEE Campus Representative is designated by his/her institution to serve as the liaison between ASEE Headquarters and faculty and students on campus.

Campus Representatives play a crucial role in recruiting new ASEE members and in keeping current and potential members informed of ASEE activities. As the local, grass-roots presence of the Society, the importance of the services Campus Representatives provide to their schools and to ASEE cannot be over-emphasized. They are the direct link between colleagues with questions, concerns, and comments about ASEE and the staff who can best respond. Their role is vital in getting information on membership opportunities and ASEE activities to potential members on campus. The growth, stability, and effective operation of ASEE in accomplishing its mission of promoting excellence in engineering education directly depend upon Campus Representatives across our nation.

YOU!!!!
The Campus Representative Forum https://www.egr.msu.edu/asee-talk/  

Craig Gunn National Campus Rep Coordinator Michigan State University, Department of Mechanical Engineering  
(517) 355-5160, gunn@egr.msu.edu

Important Information:
1) Campus Representative information can be found at http://www.asee.org/activities/organizations/campus/index.cfm
2) Award winners for Campus Representatives for 2009 at http://www.asee.org/activities/organizations/campus/09winners.cfm
3) People to know –
   Tim Manicom Assistant Manager/  
   Campus Rep Support  
   T.Manicom@asee.org (202) 331-3519
   Dwight Wardell Department Head/  
   Great guy who knows all the stories

AWARDS 2010

Check out this year’s Award Winners for the Campus Representatives

http://www.asee.org/member-resources/groups/campus-representatives/award-winners/2010

2012? Yes, 2012

Now is the time to start thinking about a paper you would like to present in 2012, June 17-20 in San Antonio, Texas. By the time that abstracts will be coming in Campus Representatives will have a Call for Papers out and we will be ready to fill a session or sessions will papers addressing all aspects of ASEE’s most important group. Yes, the Campus Representatives. So start planning to present in San Antonio.

Membership Forms - On the final pages of the newsletter are membership forms. These will always be included from the previous newsletters in order to keep the focus on the continued efforts to gain new members.

Filling out the Campus Representative Annual Reports!

The time has come to fill out that annual report to ASEE on the activities that you have engaged in over the past year. This is a perfect way to get a good accounting of the activities of all our campus representatives across the country. Please follow the links and fill out the form:
