### ASEE ANNUAL CONFERENCE REGISTRATION OPENS

**2007 ASEE Annual Conference & Exposition**

June 24-27, 2007 - Honolulu, Hawaii

Housing and Registration has opened for the **2007 ASEE Annual Conference & Exposition**. This year's ASEE Annual Conference will be held in Honolulu, Hawaii, from June 24-27, 2007. This year's meeting promises to be an excellent meeting held in a wonderful setting. ASEE will offer a variety of premier education sessions, a comprehensive collection of exhibits and services, Oahu Conference and Post Conference Tours, and a traditional luau featuring song, dance and the exciting Samoan fireknife performance. Plan now to join your friends and colleagues at the largest gathering of engineering educators in the United States. For more information go to [http://www.asee.org/conferences/annual/2007](http://www.asee.org/conferences/annual/2007). For questions, call Leigh Ann Watson at registrar@asee.org.

### ASEE FELLOW NOMINATIONS

There is still time to nominate a deserving colleague for the grade of **ASEE Fellow**. The deadline is February 1, 2007, so you will have to hurry, but it is well worth it as the grade of Fellow is one of professional distinction. The ASEE Board of Directors confers this honor upon an ASEE member with outstanding qualifications and experience in engineering or engineering technology education. Fellows will be honored at the 2007 ASEE Awards Banquet, which will be held during the **Annual Conference in Honolulu, Hawaii, June 24-27, 2007**. Requirements and nomination forms are available on the web at: [http://www.asee.org/activities/awards](http://www.asee.org/activities/awards). For questions regarding fellow member nominations, please contact Tim Manicom at t_manicom@asee.org or call 202-331-3519.

### SMART SCHOLARSHIP PROGRAM

ASEE administers the **Science, Mathematics and Research for Transformation (SMART) Scholarship for Service Program** that offers an excellent scholarship opportunity. This scholarship for service program provides students with a stipend (starting between $22,500 and $38,000 per year), full tuition, health coverage, book allowance of $1000, and other normal educational expenses. The purpose is to promote the education, recruitment and retention of undergraduate and graduate students in science, technology, engineering, and mathematics (STEM) studies. The SMART Scholarship for Service Program is open only to U.S. citizens, and students must be at least 18 years of age to be eligible. There is an employment requirement with the DoD with this program. Application deadline is February 5, 2007. For more information and to apply, go to: [http://www.asee.org/smart](http://www.asee.org/smart).

### NRL POSTDOC OPPORTUNITY

ASEE administers the **Naval Research Laboratory (NRL) Postdoctoral Fellowship Program**. This program is open to U.S. citizens and legal permanent residents and offers a competitive stipend as well as insurance, relocation, and travel allowances. This program offers one to three year postdoctoral fellowships designed to increase the involvement of scientists and engineers from academia and industry to scientific and technical areas of interest and relevance to the Navy. This program has a rolling admission. Go to: [http://www.asee.org/nrl](http://www.asee.org/nrl).

### ASEE'S NEW ONLINE JOURNAL

Coming this spring is the inaugural issue **Advances in Engineering Education (AEE)**, ASEE's new online journal. Authors are encouraged to submit articles describing applications both inside and outside the classroom that are based on a foundation of accepted learning science principles and that have increased student learning and/or achievement. AEE's mission is to disseminate significant, proven innovations in engineering education practice, especially those that are best presented through the creative use of multimedia. By focusing on educational developments and practice, AEE complements the **Journal of Engineering Education**, which concentrates on rigorous engineering education research. For more information, go to: [http://advances.asee.org](http://advances.asee.org).

### CIEC MEETING IN CA

The **2007 Conference for Industry and Education Collaboration (CIEC)** will be held in Palm Springs, CA, February 3-10, 2007. This conference is organized and sponsored by ASEE's Cooperative Education Division, College Industry Partnership Division, Continuing Professional Development Division, and the Engineering Technology Division. This year's conference theme is “Collaborating to Build Innovative Generations,” and full information about the meeting can be found at: [http://www.asee.org/conferences/ciec/2007](http://www.asee.org/conferences/ciec/2007).

### 2007 ERC SUMMIT, WORKSHOP & FORUM

The **2007 Engineering Research Council, Summit, Workshop & Forum** will be held March 11-13 in Arlington, VA. Engineering research leaders including provosts, deans, directors of research centers, department chairs, and research active faculty can benefit from this meeting and are invited to attend. This annual meeting provides an opportunity to learn about current research trends as well as up-to-date federal funding priorities. For information on registration, housing, and program, go to: [http://www.asee.org/conferences/erc/2007](http://www.asee.org/conferences/erc/2007).

### FEBRUARY PRISM
The February issue of Prism Magazine will be a double issue with half devoted to Annual Conference information, and the other half with our usual mix of good articles. You’ll also find your ballot for the 2007 ASEE National Election bagged with this month’s issue. Be on the lookout for your ballot and be sure to cast your vote. Before all this arrives, go to: http://www.asee.org/about/Elections.cfm to read about this year’s excellent candidates.

SUMMER TEACHING JOB FOR BCS

This summer, at Union College in Schenectady in upstate NY, Branded Camp Services (BCS) will be offering a class in Toy and Entertainment Engineering. BCS is looking for a teacher pursuing a higher degree in this field. The commitment will be June 25 - July 29, 2007 and includes room and board, but not travel to and from Schenectady. Headquartered in New York, Branded Camp Services runs academic summer camps for partner institutions in NY, PA, NC, VA, and OH. If interested, contact rebbecca@brandedcampservices.com or call 718-237-8757. Interviews will be held in NYC. More about BCS can be found at: http://www.brandedcampservices.com.
