Join the American Society for Engineering Education in Columbus for its 124th Annual Conference & Exposition! June 25-28, 2017

Founded in 1893, the American Society for Engineering Education (ASEE) has, for over a century, provided cutting-edge leadership and innovative programs and services as the largest and most prestigious membership society for the U.S. engineering education community. Nearly 90 percent of all U.S. engineering colleges are ASEE members. The ASEE Annual Conference & Exposition provides a three-day forum for over 4,400 leaders in the field from more than 500 university and college engineering schools, including professors, deans, instructors, and students, to present papers, exchange ideas, and interact with their colleagues and industry counterparts. Join companies like Dassault Systèmes, National Instruments, Lockheed Martin, Northrop Grumman and Boeing in reaching this prime market!

The ASEE Annual Conference & Exposition is the only conference dedicated to all disciplines of engineering education. It is committed to fostering the exchange of ideas, enhancing teaching methods and curricula, and providing prime networking opportunities for engineering and engineering technology education stakeholders, including deans, department chairs, all levels of faculty, and industry and government representatives.

Location. Location. Location.

Location. Location. Location. The ASEE Annual Conference & Exposition provides your organization with an outstanding opportunity to get your product or service, value proposition, and brand in front of the largest gathering of engineering educators in the country. ASEE member faculty, department heads and deans are procurement and curriculum decision makers representing more than 500 colleges and universities and 31 engineering disciplines. ASEE has reserved more than 22,000 square feet of exhibit space in Columbus, a highly visible platform to reach more than 4,400 ASEE member engineering educators and administrators.

The Exhibit Hall is the central meeting place for ASEE Conference attendees and the location of poster sessions, Focus on Exhibits events featuring complimentary food and beverages, technology demonstrations, special prize drawings, the Focus on Innovation Student Winners and the Two-Year College National Design Competition. These exciting experiences generate tremendous foot traffic in the hall.

The very popular “Focus on Exhibits” events held each day in the exhibit hall are exclusive. No sessions or other events are held during this time, assuring exhibitors an excellent networking and sales opportunity in a festive, dynamic atmosphere. Over the course of the conference, there will be over 5 hours devoted to “Focus on Exhibits,” will include complimentary food and beverage service.
