What is the CIEC?

The Conference for Industry and Education Collaboration (CIEC) was developed and is supported by four divisions of the American Society for Engineering Education (ASEE). The Conference serves as an annual mid-winter meeting for the Cooperative and Experiential Education Division (CEED), the College Industry Partnership Division (CIPD), the Continuing Professional Development Division (CPDD), and the Engineering Technology Division (ETD). The Conference also serves as a common location and time for additional mid-winter meetings of other engineering education committees or groups such as the International Association of Continuing Engineering Education (IACEE) and the ASEE Board of Directors who schedule meetings before or after the Conference in the same facility.

The 2012 CIEC Conference will be held in Orlando, Florida, at the Hilton Walt Disney World Resort, 1751 Hotel Plaza Boulevard, Lake Buena Vista, Florida. Room reservations at the Hilton can be made directly from the 2012 CIEC Conference web site at http://www.asee.org/conferences-and-events/conferences/ciec/2012/registration/housing

Registration for the conference will open October 15, 2011.

Sponsorship and marketing opportunities are available starting at $250. Please visit www.asee.org/Conferences and Events/CIEC 2012, Sponsorship for details.
