

Paul Kontogiorgis
Co-Founder and Program Director
Services Sciences, Management and Engineering IT Services Curriculum Program
IBM

Biography

Mr. Paul Kontogiorgis is the co-founder and program director of the Services Sciences, Management and Engineering IT Services Curriculum Program at IBM. He works with faculty and universities worldwide to incorporate university courses, curricula, certificates, and degrees to prepare the next generation of talent with skills necessary for architecting, engineering, implementing, managing, and delivering information technology services. Previously, he was an IT Architect and Consultant within several divisions of IBM.
