

CALL FOR NOMINATIONS
Excellence in Engineering Education Collaboration Awards
American Society for Engineering Education
Corporate Member Council
2021

The Corporate Member Council (CMC) of the American Society for Engineering Education (ASEE) invites CIEC Divisions and **ALL** CMC members to nominate a program or initiative that demonstrates best practices in collaboration that enhances engineering education.

The nomination deadline is April 1st.

Please nominate a program or initiative at your company, or that of a partner organization!

ASEE 2021 CMC Excellence in Engineering Education Collaboration Awards	
Awards	CMC Excellence in Engineering Education Collaboration Awards
Sponsor	Corporate Member Council of American Society for Engineering Education
Eligibility	<input type="checkbox"/> Current ASEE CMC Member Companies and Organizations <input type="checkbox"/> Must attend ASEE Annual Conference on Industry Day to present poster and receive award.
Recognition	Winners will receive a presentation plaque for display, to be awarded at the ASEE Annual Conference on Wednesday, July, 28 on Industry Day. Winners will present their program in a poster at the ASEE Annual Conference on Industry Day.
Description	Recognizes CMC member companies that demonstrate best practices in their collaborative efforts with education to enhance engineering education. Companies will be recognized for their excellence and innovation in one or both of the following: <ul style="list-style-type: none"> <input type="checkbox"/> Collegiate level engineering and technology education <input type="checkbox"/> Pre-college (K-12/K-16) programs that inspire interest in science, technology, engineering, and math.
Judging	Priority in judging will be given to programs and activities that extend beyond the general business and marketing objectives of member companies. For instance, a program involving active collaboration in educational activities involving a company and its employees with university faculty or students would be judged more favorably than a general marketing program in support of a product or service targeting universities as its market. More than one award may be given.
Deadline	April 1 st , 2021
