The ASEE Nominating Committee has selected a final slate of candidates for next year's elections. The names and photos, along with statements from the candidates for president-elect and for vice president for member affairs, will be published in the December issue of Prism. The offices to be voted on are: President-Elect, Vice President for Member Affairs, Chair, PIC I, Chair, PIC IV, Chair, PIC V, Chair, Engineering Technology Council, Chair, Engineering Research Council, Chair-Elect, Zone I, Chair-Elect, Zone III. Nominations and elections for the offices of Chair, Engineering Technology Council and Chair, Engineering Research Council are conducted separately by members of the respective councils. Nominations and elections for the offices of Chair-Elect, Zones I and III are conducted separately by members of the respective zones.

Candidates for the Office of President-Elect

**J. P. Mohsen**
Professor and Chair
Civil and Environmental Engineering Department
University of Louisville

**Tom C. Roberts, P.E.**
Assistant Dean
Recruitment & Leadership Development
College of Engineering
Kansas State University

Candidates for the Office of Vice President for Member Affairs

**John J. Uhran, Jr.**
Sr. Associate Dean Emeritus
Professor Emeritus, Computer Science and Engineering Department
University of Notre Dame

**Sandra A. Yost, CSJ**
Associate Professor
Department of Electrical and Computer Engineering
University of Detroit Mercy

Candidates for the Office of Chair, Professional Interest Council I

**B. K. Hodge**
TVA Professor of Energy Systems and the Environment
Department of Mechanical Engineering
Mississippi State University

**Jessica O. Matson**
Professor
Industrial and Systems Engineering Department
Tennessee Technological University

Candidates for the Office of Chair, Professional Interest Council IV

**Noel N. Schulz**
Associate Professor & TVA Professor
Electrical & Computer Engineering Department
Mississippi State University

**Eric P. Soulsby**
Assistant Vice Provost and Professor
Electrical and Computer Engineering Department.
University of Connecticut

Candidates for the Office of Chair, Professional Interest Council V

**Lynette Krenelka**
Director, Distance Degree Programs
University of North Dakota

**Pat Hall**
Candidates for the Office of Chair-Elect, Zone I

Stephanie Farrell
Associate Professor
Department of Chemical Engineering
Rowan University

Bahram Nassersharif
Professor
Mechanical Engineering and Applied Mechanics
University of Rhode Island

Candidates for the Office of Chair-Elect, Zone III

Terrence L. Chambers
Associate Professor
Mechanical Engineering Department
University of Louisiana-Lafayette

Charles McIntyre
Associate Professor and Chair
Department of Construction Management and Engineering
North Dakota State University-Fargo

ASEE FACULTY SALARY SURVEY

ASEE has begun its 2007 Faculty Salary Survey. See: [www.asee.org/salarysurvey](http://www.asee.org/salarysurvey). ASEE is collecting data on tenured and tenure-track faculty for each department for the current academic contract year. The survey will run until December 31st, 2007. Data will be collected by average, median, upper/lower decile, and upper/lower quartile salaries for each faculty level in each department. After the survey closes, users will create peer groups from the list of participants. Results will be available on April 1st for these peer groups as well as several standard groups created by ASEE.

ASEE RECEIVES MOTOROLA GRANT

ASEE has announced receipt of a $60,000 Innovation Generation Grant from the Motorola Foundation to fund promotion of Engineering, Go For It!, ASEE's K-12 magazine. Published bi-annually by ASEE, Engineering, Go For It! has reached over 1,000,000 K-12 readers over the last 4 years, introducing them to the full spectrum of engineering and technology career opportunities. The Motorola Foundation's Innovation Generation Grants fund education programs that support programs that engage students in science, technology, engineering and math. For a list of Innovation Generation Grant recipients, see: [www.motorola.com/giving](http://www.motorola.com/giving).

UPDATE ON 2008 ANNUAL CONFERENCE

ASEE's PIC Chairs met at ASEE headquarters earlier this month to work on the 2008 Annual Conference Program. Next year's conference will be in Pittsburgh, PA, June 22-25, 2008, and will feature eight Distinguished Lecturers, 121 business meetings, 335 Technical Sessions, and 31 workshops. To date, there have been 2700 abstracts submitted. For more Conference information, go to: [www.asee.org/conferences](http://www.asee.org/conferences).

FELLOWSHIP OPPORTUNITIES

ASEE administers a number of federal programs that offer fellowship opportunities, including the following:

Summer Faculty Fellowship

The Office of Naval Research (ONR) Summer Faculty Research and Sabbatical Leave Program. This program is intended for US citizens who hold teaching or research appointments relating to science and/or engineering at U.S. academic institutions. A competitive stipend, relocation and travel allowances, and a pre-program site visit are offered. Application deadline is December 4, 2007. Go to: [http://www.asee.org/summer](http://www.asee.org/summer).

The Air Force Summer Faculty Fellowship Program (SFFP)

The Air Force Summer Faculty Fellowship Program (SFFP). This program is intended for US citizens or permanent residents who have an earned doctorate in science or engineering and who hold full-time science or engineering faculty positions at US colleges, community colleges and universities. The duration of this summer fellowship is from 8 to 12 continuous weeks and research is performed on-site at Air Force laboratories. There is a competitive weekly stipend, and relocation and daily expense allowances are available for those who qualify. The application opened on August 1st, 2007. To apply online, go to: [http://www.asee.org/sffp](http://www.asee.org/sffp).

Undergraduate/Graduate

The National Science Foundation Graduate Research Fellowship Program (GRFP)

The National Science Foundation Graduate Research Fellowship Program (GRFP). For U.S. citizens, nationals, or permanent resident aliens at or near the beginning of their graduate studies, this program offers a stipend of $30,000 a year for three years and a $10,500 cost of education allowance and a one-time $1,000 travel allowance. For application and deadline information, go to: [http://www.fastlane.nsf.gov](http://www.fastlane.nsf.gov). For additional program information, go to: [www.nsf.gov/grfp](http://www.nsf.gov/grfp).

Science, Mathematics and Research for Transformation (SMART) Scholarship for Service Program

Science, Mathematics and Research for Transformation (SMART) Scholarship for Service Program. The purpose is to promote the education, recruitment and
retention of outstanding undergraduate and graduate students in science, mathematics, and engineering studies; the DoD is also interested in supporting the education of future scientists and engineers in a number of interdisciplinary areas. Scholarships and fellowships awarded include salary or stipend, full tuition, required fees, federal employee benefits, and up to $1000 book allowance per year. The SMART Program will allow individuals to acquire an education in exchange for a period of employment with the Department of Defense. The program is intended for citizens and nationals of the United States; students must be at least 18 years of age to be eligible for an award. Application deadline is December 14, 2007. For information and to apply online, go to [http://www.asee.org/smart](http://www.asee.org/smart).

The National Defense Science and Engineering Graduate Fellowship Program (NDSEG)

The National Defense Science and Engineering Graduate Fellowship Program (NDSEG). The fellowship program is sponsored by the Army Research Office, Office of Naval Research, Air Force Office of Scientific Research and the DoD High Performance Computing Modernization Program. This program is intended for U.S. citizens at or near the beginning of their doctoral studies in science or engineering programs. The fellowships are for three year tenures and include full tuition and fees, a competitive stipend, and a health insurance allowance. The application deadline is January 7, 2008. Go to [http://www.asee.org/ndseg](http://www.asee.org/ndseg) for applications and detailed program information.

The Naval Research Enterprise Intern Program (NREIP)

The Naval Research Enterprise Intern Program (NREIP). The American Society for Engineering Education (ASEE) is now administering NREIP, sponsored by the Office of Naval Research (ONR). NREIP is a ten week summer research opportunity for undergraduate Juniors & Seniors, and Graduate students, under the guidance of a mentor, at a participating Navy Laboratory. The stipend amounts for the program are $5,500 for undergraduate students and $6,500 for graduate students. U.S. citizenship required; Permanent residents accepted at certain labs. The application is currently open and must be completed by January 14, 2008. Go to [http://www.asee.org/nreip](http://www.asee.org/nreip).

Postdoctoral Fellowship

The Naval Research Laboratory (NRL) Postdoctoral Fellowship Program

This program is open to US citizens and legal permanent residents and offers a competitive stipend as well as insurance, relocation, and travel allowances. This program offers one to three year postdoctoral fellowships designed to increase the involvement of scientists and engineers from academia and industry to scientific and technical areas of interest and relevance to the Navy. This program has a rolling admission. Go to [http://www.asee.org/nrl](http://www.asee.org/nrl).

High School

The Science and Engineering Apprenticeship Program (SEAP).

The American Society for Engineering Education (ASEE) is now administering SEAP, sponsored by the Office of Naval Research (ONR). SEAP is an eight week summer research opportunity at participating ONR laboratories for high school student who have completed at least grade 9, must be 16 years of age for most Laboratories, and a U.S. citizen. A graduating Senior is eligible to apply. The stipend for the summer program is $1,500 for new students; $1,550 for returning students. The application is currently open and must be completed by January 28, 2008. Go to [http://www.asee.org/seap](http://www.asee.org/seap).
