2005 ASEE NATIONAL AND SOCIETY AWARD RECIPIENTS

The following have been selected to receive the 2005 ASEE National and Society Awards. These candidates were selected by the respective award selection committees and approved by the ASEE Awards Policy Committee:

Society Awards

Benjamin Garver Lamme Award

Paul R. Gray
Executive Vice Chancellor and Provost
University of California-Berkeley

National Awards

Frederick J. Berger Award

John Stratton
Professor, Manufacturing and Mechanical Engineering
Rochester Institute of Technology

Chester F. Carlson Award

Sudhir I. Mehta
Professor, Mechanical Engineering and
Associate Vice President for Academic Affairs
North Dakota State University

Clement J. Freund Award

Mike Matthews
Assistant Professor and Associate Director of Cooperative Education
Mississippi State University

Sharon Keillor Award for Women in Engineering Education

Malgorzata S. Zywno
Professor, Electrical and Computer Engineering
Ryerson University

James H. McGraw Award

Mark A. Pagano
Dean, Continuing Education and Conferences
Purdue University

Fred Merryfield Design Award

Edward Cussler

Professor, Chemical Engineering and Material Science

University of Minnesota-Twin Cities

Minorities in Engineering Award

Juan Gilbert

Assistant Professor, Computer Science and Software Engineering

Auburn University

National Outstanding Teaching Award

Ralph Flori

Associate Professor, Basic Engineering

University of Missouri-Rolla

William Elgin Wickenden Award

Sheri D. Sheppard, Stanford University

Michelle Johnson, Medical College of Wisconsin

Paper: "Relationships Between Engineering Student and Faculty Demographics and Stakeholders Working to Affect Change" – April 2004, *Journal of Engineering Education*

It is expected that the list of 2005 ASEE Fellow Member honorees will be finalized for distribution within the next week.

Congratulations to all!

PRISM IS FINALIST IN DESIGN COMPETITION

Prism Magazine has been selected as a finalist in the Association of Educational Publishers' 2005 Distinguished Achievement Awards program. AEP's award letter states, "Because no more than four finalists in each category were selected by the judges, being one is a true honor." Prism's three design finalist entries were: "Opening A New Book," February 2004, article design; "From da Vinci to the Classroom, Summer 2004, cover design; "The Water Guy," November 2004, photography. Congratulations to Prism.

NOW IS TIME TO REGISTER FOR ANNUAL CONFERENCE

If you haven't done so, the Conferences Department reminds ASEE members that it is time to register for the 2005 ASEE Annual Conference, which is being held in Portland, June 12-15, 2005. The advance registration deadline is May 18. Go to: <http://www.asee.org/conferences/annual2005> . Hotels are filling quickly, so it is important to make room reservations as soon as possible. For best availability and immediate confirmation, book online. Go to the mentioned url, click on housing, and make reservations online. Faxed or mailed housing requests are available but will, of course, take longer. Please book now to avoid disappointment.

ELECTIONS AND DISCLOSURE

At the ASEE Executive Committee meeting held in April, there was discussion about disclosure of the number of votes cast for each candidate. An Ad Hoc Committee was formed to consider the various aspects and to propose a policy regarding disclosure of ASEE national election results. The committee is composed of Ron Barr, Jim Melsa, Pat Fox, and Frank Huband. In all likelihood the policy will include publishing results in ASEE Action and Prism Magazine.

NRL PROGRAM

The Naval Research Laboratory (NRL) Postdoctoral Fellowship Program is open to U.S. citizens and legal permanent residents and offers a competitive stipend as well as insurance, relocation, and travel allowances. This program offers one to three year postdoctoral fellowships designed to increase the involvement of scientists and engineers from academia and industry to scientific and technical areas of interest and relevance to the Navy. This program has a rolling admission. For details, go to: <http://www.asee.org/resources/nrl/> .

ANNUAL REPORTS DUE MAY 15TH

ASEE Board members and members of ASEE Committees are expected to file an Annual Report with headquarters. This is a requirement dictated by the ASEE Constitution. The report can be simple, covering only the name of the council/office; meetings of the unit represented; any significant actions or events of the unit. All annual Reports received by May 15th are attached to the June Board Agenda. Reports are also collated and filed in a permanent archive at headquarters and will be posted to the Web on ASEE's website.
